RE: Official Health Certificates – change in color of paper forms

The Iowa Department of Agriculture and Land Stewardship (IDALS) issues Official Health Certificates in paper form [directly through IDALS](#). Please note that due to the availability of paper supply, there will be a change in the colors of these forms in the upcoming months. A legend is present at the bottom of each form for review. Please remember that even though the colors of the pages have changed, it is the top copy that needs to accompany the shipment.

Any questions regarding this matter can be directed to the IDALS Animal Industry Bureau at 515-281-5305.

A handwritten signature in blue ink, reading "Jeffrey J. Kaisand".
